**BENEFIT CONCERT, JULY 14, 2017
BEARSVILLE THEATER, WOODSTOCK, NY**

To support Family of Woodstock and the Why Can't We Serve documentary film project

We are seeking the support of a few local businesses to help us defray the cost of the benefit concert, which will help both the film project and Family of Woodstock. Marty Klein is more than half way through producing and directing a film that may be helpful in reducing the number of veteran suicides that are taking place every day in our country. His film also may be instrumental in raising the standard of living for all people with disabilities. For more details please go to www.whycantweserve.com.

For over 45 years, Family has been one of the most important nonprofit organizations in Ulster County. So many of us have experienced the need to reach out for help...and Family has always been there, doing their best to help each and every person who has walked in the doors on Rock City Road, or who has called with a problem or an emergency. They truly are a crisis intervention center. Visit: www.familyofwoodstockinc.org.

CSN Songs is a wonderful tribute band which we have contracted with, to bring the music of Crosby, Stills, Nash and Young to Woodstock. Visit: <https://youtu.be/RCa4Rtt-sHk> ...and... www.csnsongs.com.

We are paying the band and renting the space with the hope of having a wonderful evening of music and celebration. Here's how your business can help.

For \$200 each business will receive:

- **2 tickets in the first 3 rows at the concert.**
- **Your business being named at the break in between the 2 musical sets.**
- **Your business name, phone and address on a printout that will be handed out to each person who attends the concert.**
- **Recognition on the Why Can't We Serve website.**
- **All donations are tax deductible.**

We want to thank you, in advance, for your support, and we look forward to a wonderful evening of music as well as a successful benefit concert.

With Gratitude,

Marty Klein, Why Can't We Serve, 679-7532
